Q&A WITH DR. KING

WHY DID YOU BECOME A COSMETIC DENTIST?

We must not underestimate the psychological impact of a smile. I believe that a beautiful, bright and spontaneous smile can improve a person's self-confidence and make a positive and powerful statement about them. I have the privilege to see the positive changes I make in people's lives every day by empowering them with their beautiful new smile

WHAT IS UNIQUE ABOUT YOUR PRACTICE?

We combine Science, Art and latest Technology to create a personalized outcome that is unique for each patient. Our practice was the first in Australia to offer to our patients as well as train other dentists in – In-surgery teeth whitening and micro dentistry (Minimally invasive dentistry). Now we are a training facility for laser and cosmetic dentistry.

CASE STUDY

BEFORE

AFTER

A NEW SMILE The patient had an unaesthetic, gummy smile with multiple broken down and discoloured restorations. To address this, non-surgical laser gum re-contouring and custom designed porcelain veneers and crowns enabled us to create a youthful, natural smile.

“my goal is to fulfill every patient's dream of a beautiful smile”

A PASSION FOR ART AND ARCHITECTURE ENABLES DR. KING TO CRAFT EXCEPTIONAL SMILES, EARNING HER A GREAT DEAL OF RESPECT AS A DENTAL EDUCATOR AND LECTURER, TRUSTED BY HER PATIENTS INCLUDING WELL KNOWN CELEBRITIES. SHE EMPHASIZES THE PSYCHOLOGICAL AND SOCIAL IMPORTANCE OF A SMILE, AND BELIEVES EVERYONE DESERVES TO ENJOY THE CONFIDENCE AND BEAUTY THAT A NEW SMILE BRINGS.
